English

Hobbies

■ Writing Reviews on letterboxd

Projects

- A VR Based Disaster Preparedness Game**

Oct 2025 – Nov 2025

 - Developed a Unity-based VR game prototype exploring interaction mechanics and immersive gameplay.
 - Built core features and initial mechanics, gaining experience in VR workflows, scripting, and environment design.

- OXYMORA**

Apr 2025 – Apr 2025

 - An AI-driven plant analysis tool that enables users to assess plant health by simply uploading a photo.
 - It delivers insights on plant condition, estimated oxygen production per day within a user-friendly Streamlit interface.

Extracurricular activities

- Volunteer**

Sep 2024 – Apr 2025

Google Developer Groups – PDKV, Chennai

Technical Support team member
- Volunteer**

Oct 2023 – Present

National Service Scheme, Chennai
